PTPC Case No. 06-25

Dear Dr. Obermeyer:

At its meeting on January 31, 2006, the Commission conducted an administrative review of Commission staff's decision to dismiss the complaint you filed against Carol Comeau in the above-referenced case. The Commission voted unanimously to support staff's decision to dismiss the complaint and close the case. This is the final decision of the Commission in this matter.

Sincerely,

Bonnie Barber
