Dear Dr. Obermeyer:

Thank you for expressing your interest in an appointment to the Alaska Judicial Council and the Board of Governors of the Alaska Bar. I appreciate your willingness to assist the people of Alaska through public service.

We have received your application materials and will give them every consideration. As vacancies on state boards are filled on an ongoing basis, there is a chance the seat you are interested in may already have been filled. If that is the case, please be assured your application will remain active for one year and will be considered for upcoming similar vacancies. No additional action is necessary on your part.

Thanks again for your willingness to serve.

Sincerely,
